Abstract: The Europlanet outreach is the online public face of Europlanet. <http://www.europlanet-eu.org/> . It is aimed at external audiences (public, media, policy makers, educators etc) and complements the Europlanet project website (<http://www.europlanet-2020-ri.eu/>) which is aimed at the internal Europlanet community and planetary scientists. Content for the Europlanet outreach website includes press releases, outreach activities, resources, multimedia galleries and policy information. The website has been launched on 14th December 2015.
