Abstract: On 27th April 2016, Europlanet organised a dinner debate in the European Parliament, hosted by Ms Clare Moody MEP. The topic was 'The Impact of the EU on Planetary Science'. Five MEPs attended and a further two MEP offices were represented. A total of 23 guests participated in the dinner debate. During the discussion, Europlanet was strongly encouraged to provide input to the Horizon 2020 review and upcoming Framework 9 discussions, as well as proposals of themes for future COMPET calls. See [Appendix 1](#) for further details of the event and attendees.
